Meet the Generals!

May 24, 2017

Green Bay

With the improving economy, and with more jobs, many GC sub lists are being stretched to the max. This is an opportunity to get your company on these general contractors' sub lists. Many GCs are expected to be present to talk with specialty contractors.

Join fellow ABC members for a Meet the Generals networking event at the Tiletown Brewing Co. Mark your calendar for May 24 and join us at 4:30 pm for an opportunity to meet up with general contractors and build relationships with other contractors. The registration fee includes drink tickets along with food and access to all displaying generals! A door prize valued at \$200 will be awarded to one person that qualifies by visiting each general's display.

If you're a general wishing to participate with a display table, the fee is \$200. Up to three attendees are covered with the fee. There is a limit of 8 general contractors.
