PROJECTS OF DISTINCTION 2016

COMMERCIAL - UNDER \$2 MILLION

DERRICK COMPANIES CULVER'S

NEW RICHMOND, WI

As a successful franchise, the Culver's brand does not provide the opportunity to build a unique structure. However, what makes this project distinctive, is the fact that this Culver's was even built. Two brothers facing financial and personal challenges, questioned whether it could happen, but Derrick Companies patiently provided support and encouragement for it to happen.
