

Unpaid Related Instruction Requirements Heavy Equipment Operator

Mandatory

- **First Aid/CPR/OSHA**

The apprentice shall obtain certification in First Aid and CPR and a minimum of a Construction 10-Hour OSHA Safety course during the first 12 months of the contract. The First Aid and CPR certifications must be kept current. *Please do NOT take online First Aid or CPR courses, as they are not approved by the committee. Online OSHA courses must be taken through an OSHA-Authorized Online Outreach Training Provider.*

Who to contact to register for First Aid and CPR:

- ABC of WI Apprenticeship and Training Trust (800-829-9926 or www.abcwi.org and look under "Upcoming Events")
- American Heart Association at (www.americanheart.org)
- American Red Cross (www.redcross.org)
- Hospital
- Fire department
- Technical College

Who to contact to register for OSHA:

- ABC of WI Apprenticeship and Training Trust (800-829-9926 or www.abcwi.org and look under "Upcoming Events")
- Technical College
- MSHA is an acceptable alternative to OSHA-10 hour.

- **Transition to Trainer**

The apprentice is required to take the 8 hour Transition to Trainer course in the final year of the apprenticeship.
