

Unpaid Related Instruction Requirements

Steamfitter

The apprentice must complete satisfactorily 150 hours of unpaid school hours, as prescribed by the ABC of WI Apprenticeship Advisory Committee.

The apprentice shall obtain at least 30 hours per year in unpaid related instruction.

Mandatory

- **First Aid/CPR/OSHA**

The apprentice shall obtain certification in First Aid, CPR, and a minimum of a Construction 10-Hour OSHA Safety course during the first 12 months of the contract. The First Aid and CPR certifications must be kept current.

Please do NOT take online First Aid or CPR courses, as they are not approved by the committee.

Online OSHA courses must be taken through an OSHA-Authorized Online Outreach Training Provider.

Who to contact to register for First Aid and CPR:

- ABC of WI Apprenticeship and Training Trust (800-829-9926 or www.abcwi.org and look under "ABC Events/Training Schedule")
- American Heart Association at (www.americanheart.org)
- American Red Cross (www.redcross.org)
- Hospital
- Fire department
- Technical College

Who to contact to register for OSHA:

- ABC of WI Apprenticeship and Training Trust (800-829-9926 or www.abcwi.org and look under "ABC Events/Training Schedule")
- Technical College

- **30 hours Minimum of Welding (Maximum of 120 hours)**

- **Transition to Trainer**

The apprentice is required to take the 8-hour Transition to Trainer course in the final year of the apprenticeship.

Suggested Unpaid Related Instruction Classes (approved by the Committee)

All classes that are approved for CEUs from the Department of Commerce are approved for Unpaid Related Instruction. You will have to submit verification to the ABC of WI office.
